THE CORD AUTOMOBILE COMPANY

9260 East Broken Arrow Expressway

Post Office Box 1316

Tulsa, Oklahoma 74101

The New Cord Sportsman is now in production at our plant in Tulsa, Oklahoma. We have endeavored to present to the public a product untarnished by duplication, unequalled in design and unsurpassed in craftsmanship. We are now accepting orders for delivery.

In placing your order at the factory for the New Cord Sportsman, a deposit of one thousand dollars is required. The balance is due upon completion of the car and the customer will be furnished with a plane ticket to Tulsa; however, if he so desires it may be shipped at an additional expense.

We are in the process of establishing dealer outlets nationally, should a dealership be located in your area, the terms of purchase would be determined at this level.
